## Reminding children they are loved

The Community Christian Council is dedicated to helping children. As one of their ministry partners, I am so thankful for Children's Bible Ministries to be able to work together with the CCC to minister to children and their families. Through the generous giving of others, Children's Bible Ministries and the CCC has been able to hand out many "You are loved!" bags to children in our community. Each contains a handwritten message of love to the child, as well as food, toys, special treats, etc.

We look forward to the day that we can resume meeting in person with these kids in our weekly "Kid's Club" at the CCC. In the meantime, we want to do what we can to make sure that every child knows they are loved and valued by us and most importantly, by God! Please check out our website for information about how to volunteer at our Kid's Club at the CCC, or information about summer camp in July, 2020.
